Opportunity to share gifts/talents

Central wants to update the options we have for donations and offerings beyond our usual methods of envelopes, cash, cheques and pre-authorized remittance to include 21st century electronic methods which can be used on various devices. We are looking for people who would be willing to work on this as a short term project to identify appropriate methods and to help us get them set up and running. If you are interested, please speak to Lynda Pinnington, ldpinnington@hotmail.com.

The Session and Board would like to thank the congregation for their response to our request concerning the 2017 budget. Through your generosity and God's grace we were able to end the year meeting the budget. We will provide you with final figures in the next week or two.

Please start submitting your reports for the Annual Report. Chairs of all committees are responsible.
