### The Crucifixion of Christ Stained Glass

The stained glass depiction of Christ on the cross was done in 2016 by John McDonald. The cross is the most recognized icon in the world. The cross in this piece of art is composed of 3 colours of glass to represent the Trinity. The sun is a powerful symbol of the resurrection of Jesus and the rainbow is the representation of hope and the covenant given by God to Noah. The white shows purity and reminds us that Jesus shed His blood to cleanse our sins.

This beautiful symbol of the death of Jesus will remain a centre focus for us as we begin the season of Lent, a time for us to prepare for the glorious resurrection of Jesus on Easter Sunday. It will be displayed here until Good Friday.

**Board of Managers:** The Board of Managers plays a very important role in our congregation. They are responsible for seeing that our building is kept in good repair, that our finances are managed properly and that our custodial and office staff are looked after. People on the board are elected by the congregation for a 3 year term. This is a wonderful opportunity to use your skills and talents in a meaningful way in God's service. Please speak to Aubrey or any elder or member of the board if you are interested in serving on the board.

A new confirmation class will start in March. If you want to enrol or know of someone that wants to join us please contact Aubrey at [aubrey@cpcmail.ca](mailto:aubrey@cpcmail.ca).

**The Annual General Meeting of the Trinity Community Table** will be held on Mon March 6 at 5:00 PM at Trinity Anglican Church. All are welcome to attend. Central's representative to the Board of TCT, Peter Goudy, will become the president for a 2 year term. Please pray for the work of the TCT Board and the volunteers who served over 10000 meals in 2016 to people in need from our community without any government funding.
