The Intermediate Christian Home -our newest outreach project-

What is our newest outreach project?

In 2017 the Missions and Outreach Committee was approached by Valerie Cleland and Irene MacDonald with a small outreach project that they wanted to launch as a small care group at Central.

The project would involve each volunteer providing a hot main dish for about six homeless men **ONLY ONCE** in the **ENTIRE YEAR** at the Intermediate Christian Home, a registered charity run by co-founders Richard and Mirella Martin and situated in downtown Galt at 148 Grand Ave. S. This would provide a respite opportunity for the co-founders of ONE MEAL PER MONTH. 2018 proved to be a great success and we sincerely thank all those who contributed a meal for this project. We plan to continue this project throughout 2019.

What is the Intermediate Christian Home?

The Intermediate Christian Home has been welcoming homeless men since 2003. "Residents are inspired to make lifestyle changes in order to support mental health wellness and prevent recurring homelessness." They "collaborate with medical professionals and social services in each man's best interest" but "recognize that only God can change the human heart and transform lives!" The Home provides an "opportunity to explore the Christian faith and face personal struggles". Central is often visited by some of the Home's clients.

How can you help?

Sign up on a sheet in our kitchen to provide two basic casseroles (~9 x 13-inch dishes) such as chili, Shepherd's pie, sloppy joes, meatballs in spaghetti sauce, chicken in mushroom soup, etc. for a month of your choice. Please contact Valerie Cleland for more information. She will contact you as needed.

A GREAT RESPONSE to our BRICKS for LEARNING PROJECT

In June we placed a mural on the wall of the sanctuary with information about our GO Guatemala Mission Trip from Oct. 26 to Nov. 6. Central's team to Cubulco, Guatemala, will be led by Alejandro Ortiz and a team from our partner church in Burford will also join them. The challenge was to raise \$2000 more throughout the summer toward needed building materials. Three classrooms are to be built, two Sunday School rooms for the church that was built on the first mission trip, and the third room to use for skills training for the community.

We are thrilled to report that \$2363.41 was raised and we thank everyone for their generous response. Along with funds raised by our partner church, funds from private donations and funds from several events at Central, we are pleased to report that enough funds for building materials have been raised. We thank God for opening your hearts to this

Come for fun family activities, Richard the Illusionist, treats, candy and community as we celebrate the coming of fall together!

To make this a success we need your help. There are plenty of ways to serve. From handing out candy at a table to running an activity, we have a place for everyone to serve. We would appreciate any donations of **nut free** Halloween candy. You can drop it off with Timothy before or after the service.
