Where do you fellowship?

Explore Central's Small Groups

We often think of "fellowship" as casual conversations, food, socializing, and fun. But God's plan for fellowship goes beyond Sunday services towards experiencing life together. Small groups equip us to carry out the "one another" commands in the New Testament -- to love each other, share with those in need, give sacrificially, and serve to see God's Kingdom come. We become like the early church in Acts where they "They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer" (Acts 2:42). Small groups open the door to the abundant life Jesus had in mind for us!

To find out how to get involved, email Jennifer Smith at smallgroups@cpcmail.ca.

Volunteer to be a Friend – Join a Circle

Over the next few weeks we will be introducing you to a new opportunity to be a volunteer with the Mennonite Central Committee (MCC) Circle of Friends Program that is beginning to establish in Cambridge. You would simply offer to be a friend to someone who is transitioning from homelessness and isolation back into our community.

Circles are small groups of about 2-3 volunteers, along with a trained MCC leader, and 1 person who is now in stable housing but has been homeless at one time. A circle meets for an hour or two a week and for one event offered by the MCC per month.

You would simply offer friendship by listening and caring. What circles do together can be as varied as the participants e.g. share a coffee or a walk together.

We will be offering a short presentation, some video clips and brochures over the next few weeks to promote the program.

YUMMY PANCAKES!

The cooks in the kitchen delivered up some very tasty pancakes and sausages to more than 70 people at our annual Pancake Supper. We sincerely appreciate all your continuing support and the help from many great volunteers. Together we raised \$526.16 towards our Missions projects. Thanks to Alejandro for his presentation on last fall's mission work in Cubulco, Guatemala, building church classrooms together with his team and members of the community.
