### **Fill the Bowl This Summer!**

Once again we are back to hosting a summer challenge for the Cambridge Self-Help Food Bank. Food supplies are often quite low at this time of year and demand is up. Last summer we had to cancel due to Covid but not this year. Kerri, our Family Ministry Leader, suggested boxes of cereal so we have set a goal of 500 boxes or \$2000 to be reached by the end of September.

We have set up our website to accept on-line donations if you would like us to do the shopping for you. You can also e-transfer or drop off at the church once we open again. Please help us to provide for those in our community in need.

### **In-Person Services start Sunday June 20 at 10 am**

The Province has changed its plan for re-opening churches. We are able to have in-person services at 15% capacity and will re-open on Sunday June 20 at 10 am. Please observe all COVID safety requirements:

- Masks worn at all times
- Sanitize your hands at entrance
- Remain 2 meters apart from others
- Names and phone numbers recorded for contact tracing
- Attendance will be capped at 110 people to maximize safety

Please keep aisles, walkways and entrance ways clear after the service. Online services will also continue even after we re-open.

### **Kids' zone**

After consultation with our parents and families the Session has decided that Kids' Zone will not resume until September. This is not a decision that was taken lightly but after a survey of the parents and the volunteers and receiving their feedback it was agreed that this is the best course of action. We will continue to provide activity bags for the children on Sunday mornings.
