### Strategic Plan for Central 2024-2026

Every 3-5 years, we develop a Strategic Plan for Central to guide us into the future. The elders met on January 27 and identified 8 strategic objectives for the next three years in the following areas.

- **Communication and Media:** We will revamp our website to ensure that it is informative, timely and current and enhance our social media presence to meet today's needs.
- **Succession Plan:** Aubrey will be retiring in 2027 after 25 years of ministry at Central. We will develop a succession plan to ensure a seamless transition to our next minister.
- **Congregational Development:** We will provide enhanced opportunities for spiritual growth and fellowship through Bible studies, small groups, social events and activities.

**Community Development:** We will enhance the profile of Central in the community and encourage use of our facilities for community events.

Coordinators have been assigned for each objective and action plans are being developed. If you have an interest or expertise in any of these areas, please speak to any elder.
