Weddings at Central

Weddings at Central

A wedding is a joyful celebration of God's love for us and our commitment to the Christian family. Central Presbyterian Church has been the site for many beautiful weddings over the years. The service itself and the preparation for it centre on this premise.

Celebrating Your Faith

There is no greater privilege than to know Jesus Christ and to worship Him. For those who know the Lord Jesus Christ, it is good to express their faith and personal commitment as part of the wedding ceremony. Your minister is willing to help you find ways to express your faith in your service.

Booking Your Wedding

In the Presbyterian Church, all wedding requests are approved by the Session.

The first step is to complete and submit the Wedding Request Form. This includes information about the bride and groom, requested date for the wedding and rehearsal, music and any special requests.

The request will go to the Session for approval. You will then be contacted by the Wedding Coordinator regarding the decision and outlining next steps.

Pre-Marriage Counselling

While it is natural to focus attention on the wedding day, it is also important to think about marriage as a long term commitment. For this reason, couples are required to complete a marriage preparation course prior to the wedding.

This requirement may be met in one of two ways. You may arrange counselling with Central's minister or provide written verification of completion of another marriage preparation course.

Licence

A marriage licence may be obtained anywhere in Ontario at a Municipal Office. The licence must be presented to the minister at least three weeks prior to the ceremony.

Music

Professional musicians are available to provide music on our Schimmel Grand Piano and Casavant three manual organ. Please speak to the wedding co-ordinator regarding your music requests.

Should you wish to have other musicians at the wedding ceremony, please indicate this information on the Wedding Request Form.

Animals

While we appreciate that family pets are well loved, only registered service animals are allowed in the church.

Wedding Co-ordinator

The wedding co-ordinator is Central's official representative at weddings performed at the church.

All weddings will use the services of the wedding co-ordinator.

The wedding co-ordinator will meet with the couple to plan the wedding to ensure that the day is special in the way you want it to be. You will discuss requests such as the use of candles, microphones, the sound system, placement of flowers, signing the register, photography, music and video.

The wedding co-ordinator will be present at the rehearsal and the wedding to assist the wedding party and guests. The wedding coordinator is responsible for opening and closing the church at the rehearsal and on the wedding day, as well as safety and security for everyone in attendance.
