CACHA is dedicated to improving the health of rural African communities. It is a non-government organization and a registered Canadian charity. Since 2001, CACHA has been helping Canadian medical professionals support the local healthcare needs of rural African communities in four countries; Bénin, Tanzania, Uganda, and the Democratic Republic of the Congo.

This short-term project has been granted permission by Session, but is not one of the sponsored projects through our Mission Team. Please contact Elizabeth Cresswell for more information.
