## **A Huge Thank You**

A huge thank you goes out to everyone who made the Beatle Band Concert such a success.

It was very fitting for the evening to be a tribute to Peter Goudy who initiated the idea of concerts to support the Restoration Fund.

The Beatle Band sent us a thank you note expressing their appreciation for the "supportive and organized staff" and added... "Thanks again for all your incredible contributions which made the event run so smoothly. We truly appreciate the opportunity to perform in such a wonderful place... We think future musicians will appreciate the venue's rich acoustics and warm, welcoming community, which are perfect for any concert setting."

***The evening raised \$6,525 for the restoration fund.***

## **Church Youth Meeting**
