## A Huge Thank You

A huge thank you goes out to everyone who made the Beatle Band Concert such a success. It was very fitting for the evening to be a tribute to Peter Goudy who initiated the idea of concerts to support the Restoration Fund.

The Beatle Band sent us a thank you note expressing their appreciation for the "supportive and organized staff" and added... "Thanks again for all your incredible contributions which made the event run so smoothly. We truly appreciate the opportunity to perform in such a wonderful place... We think future musicians will appreciate the venue's rich acoustics and warm, welcoming community, which are perfect for any concert setting."

***The evening raised \$6,525 for the restoration fund.***

## Notes from November Session Meeting

**Christmas Eve:** Our Christmas Eve service will be at 6 pm on Tuesday December 24.

**Joint Board/ Session meeting:** The Board of Managers and Session will have a joint meeting on Wednesday December 4 at 7 pm prior to the regular session meeting.

**Funerals at Central:** At the request of several members, when someone from Central passes away, an email will be sent out to everyone in the congregation with funeral details.

**Knox Preston:** As announced to the congregation a few weeks ago, Knox Preston Presbyterian Church had meetings with several churches to discuss the possibility of an amalgamation or partnership. They have decided to work on a partnership with St. Andrew's Hespeler. They thanked us for our kindness and gracious hospitality when we met with them.

**Guatemala Chicken Project:** In 2018, Central helped a number of families in Cubulco Guatemala start raising chickens as food for their families and as a source of income. The project has proven very successful and session has agreed to continue to support 17 families during the coming year by helping them purchase feed for their flocks. Alejandro Ortiz oversaw the project as part of his mission work in Guatemala and will continue to do so through his contact there.
