Youth Groups @ Central

Over the past few months the Christian Education Team and Jocelyn have worked diligently to continue to provide a variety of programs for Jr and Sr Youth Groups at Central.

This includes adjusting the day of the week for meetings as reflected in conversations with families. Acknowledging that the unexpected changes that occurred last fall with our leadership have affected the attendance and engagement of our Youth Groups over the past few months, both CE and the Session were faced with making a very difficult decision, and decided that we would pause offering youth programming for the time being.

This issue will be reviewed by the Christian Education Team again in the Fall. If there any questions please contact Elizabeth Cresswell Christianed@cpcmail.ca
